

## Canadian Goat Society - Semen Marketing Guidelines

### General Guidelines:

1. Semen sales are open to all qualified members of CGS
2. All straws are priced at \$15.00 per straw
3. Each member is eligible for up to 15 straws per buck, except for the Saanen (Rocky Run GBMT Isaiah) which is limited to 5 straws per buck per CGS member
4. The buyer is responsible for all shipping and handling charges for the semen
5. All costs of the semen + shipping must be paid to OCF before the shipment is sent
6. The buyer is responsible for storage of the semen once it arrives at destination

### Shipping Guidelines:

1. Shipping charges will include return of the dry shipper to OC Flock Management
2. Insurance for the dry shipper will be included in the quote. Insurance for the semen can be purchased at 3% of the semen value.
3. Dry shippers must be returned to OCF within a few days of arrival
4. OCF will accept Credit Card payments, or cheques. All cheques should be certified or will have to be cleared prior to the shipment leaving (contact OCF for CC form)
5. The purchased semen can be stored at OCF at no extra cost until March 31, 2011 if required by the buyer. After that date storage charges will be incurred at the regular rate.

### Approximate shipping charges:

Alberta/Sask - \$125 - \$200

BC/Manitoba - \$200 - \$250

Ontario/Quebec - \$225 - \$300

Maritimes - \$225 - \$300
